(가)

When you choose to stay in your comfort zone, it means you do familiar activities and not try something new. You are confident when doing activities inside your comfort zone and you can finish them quickly because you already know how to do it. However, if you stay in a comfort zone too long, you can miss out on chances to grow.

Also, if you don't try something new, you won't ㉠succeed at anything new. Remember that big rewards only come to people who take risks. Therefore, for personal growth, sometimes you should step out of your comfort zone and take risks although it may be uncomfortable.

(나)

Hi, I'm Sam and I am an engineer. It is a stable job, and it is comfortable because it's familiar. But one day, I watched a TV show and suddenly I wanted to be an actor. But I am too scared to quit my job. What should I do to be an actor?
